### Thoughts from Pastor Sarah

Dear Kindred in Christ,

It was so wonderful to welcome the musical gifts of Aubrey and Everett Schiefelbein into our worship service last week (and all the other band members too) just a few weeks after their baptisms! We pray Aubrey safe travels back to Chicago and a strong second semester of her first year of college. And we hope Everett will play for us again soon. Are there any drummers in our fellowship who'd like to step up?

We remain partners with a church in Santa Clara, Cuba. We are hoping to visit them in late March and in the next few months to raise consciousness of our partnership and funds to offer them as a gift. Stay tuned for the opportunity to participate in a small dinner, in the home of a fellow church member, sometime in February or early March.

Our national relationship to Latinx kindred is fraught right now. Our actions in Venezuela and the waters near Venezuela, the status of immigrants in our nation, there are multiple painful, messy, scary situations. I am extra grateful, then, that we have a direct way to share love with our Cuban kindred even as we strengthen our bonds with one another. When things feel overwhelming, finding something positive, and meaningful to do is tremendously helpful. And shoring up our connections in Christ is a wise thing to do as well.

Speaking of shoring up our connections in Christ, I hear wonderful reports about the Big Table. And your Fellowship elders are already hard at work on a potluck near Valentine's Day. Let's keep connecting and breaking bread.

It's been a long break, but I'll be back on coffee chat this Friday between 10 and 12. Even if you don't usually check in, why not give it a try? I'd love to see you and hear you.

Speaking of long breaks, our anti-racism discussions resume this evening. Hope you'll join us.

We'll continue our journey in the Gospel of John this Sunday morning and gather for Supper Church this Sunday evening for a lesson about Jesus' disciples. I hope you'll find a way to connect.

In Christ, Pastor Sarah

## News & Notes

### JANUARY 2026

Dear brothers and sisters in faith: When I served on the St. Andrew's staff (1990s-2009), I was encouraged and financially supported as I worked my way through the extensive PC(USA) Certified Christian Educator training. Now, as Elder of Christian Formation, I'd like to share a bit of what I've learned, with a brief message each month.

Lay leadership in the Presbyterian Church is vested in the Session and Deacons. Each person begins their service by responding to a series of ORDINATION QUESTIONS. Each question centers around some orienting language: "Trust... believe... accept ... adopt ... be led ... abide by ... be a friend ... follow ... love ... reconcile ... serve ... and promise."

Did you know...In the Hebrew language there 2 kinds of verbs: "perfect" and "imperfect." Those "perfect" verbs attach to actions that are finished, done, past-tense. "Imperfect" verbs are ongoing, open-ended, sustaining. This orienting language is composed of imperfect verbs. In each word we, the Priesthood of Believers, can hear Jesus saying, "Follow me." They point us toward what is sacred in this life; toward Jesus, and the body of Christ. Over the next few months we'll take them in order.

**Question #1** parallels those asked during baptism and reception of new members: " Do you TRUST in Jesus Christ your Savior, acknowledge him Lord of all and head of the church, and through him BELIEVE in one God, Father, Son, and Holy Spirit?" It's a declaration of WHO merits our trust... to connect the Lordship of Jesus Christ to his Church on earth, and look to God as Creator, Redeemer and Sustainer.

Saying YES to this question, we embrace the holy nature of our lives ... lives set apart as the Body of Christ ... involved with the Church's mission and vocation.

Roberta Schlechter, CCE

## RECYLCING EVENT

Kindred from Multnomah PC stopped by today to let us know about a recycling event taking **place this Saturday (1/10) from 10am to 1pm** at the James Recycling drop-off depot (5441 SW Beaverton-Hillsdale Hwy). This is an amazing venture, created 10 years ago by an incredible young man who turned a fascination of hard-to-recycle materials into a career. To read more about this event, James, and ongoing opportunities to recycle non-curbside household plastics, visit [jamesrecycling.com](http://jamesrecycling.com).

## TREE RECYLCING AT ST. A's

For over 30 years, Troop 150 has been recycling Christmas trees for our members and neighbors. Visit their site to find out about weekend drop-off dates and times, or to see if you are eligible for a curbside pickup. This program is continuing through January 18.

Come learn about enneagram and explore deeper patterns of thinking, feeling, and acting (rather than just labeling).

## Mission & Ministry

*If you have any questions about our ministries or would like to be a part of our Mission Team, contact Marilyn Palumbo.*

### ZIPLOC MINISTRY

First Saturday of the Month

10:30am-12:00pm - Ziploc bag filling and donation drop-off

Each month, St. Andrew's sends large Ziploc bags filled with essential items to distribute to those in our community who have found themselves without a home. Thanks to generous donors, along with additional Neighborhood Ministries funds, we receive enough funding each month to cover these costs. We are grateful to be able to continue this important work.

So what can you do to help? It has been brought to our attention the constant need for donations of new socks and new men's boxer-briefs, for many of our ministry partners. These can be dropped off at our February 7th Ziploc bag filling, at worship on Sundays, or during office hours.

### MULTNOMAH SAFE REST VILLAGE NEWS

St. Andrew's supports the Multnomah Safe Rest Village in partnership with the Friends of Multnomah Safe Rest Village. Under the new ownership of Urban Alchemy, our unhoused neighbors are provided clean hygiene facilities and offered healthy meals, through an approach that supports guests' physical and mental health, as well as by empowerment and skill training.

Sign up to make and drop off sandwiches (and easy-to-chew snacks, if you're so inclined) for FMSRV Sandwich Mondays. And visit the Friends of Multnomah Safe Rest Village website, and join their Facebook group for updates, news, photos, and connections.

#### **SERVING OUR NEIGHBORS AT WEST WOMEN'S & CHILDREN'S SHELTER**

We prepare and deliver monthly, homemade casseroles and other food items to this domestic violence shelter. Recipes and instructions are provided. Casseroles are dropped off at St. A's during the first Saturday Ziploc event. We always need more volunteers who love to cook. If you'd like to share in serving our neighbors at WWCS, you can use the usual SignUp Genius link (Kara can assist, if necessary).

#### **SOUTHWEST OUTREACH**

Southwest Outreach is an active civic group connecting with our neighbors living outside in SW Portland through visits, conversation, and relationship-building through a variety of programs and services.

If you see (or know of) someone living outside in our area and you are uncertain how or whether to approach, you can always contact Southwest Outreach for a team to visit them. Call Marilyn Palumbo at 971-235-5788.

##### **Shower Program**

Located at Riversgate Church in Multnomah Village, this weekly SW Outreach shower program is a welcome day center for people being displaced in our area. Our guests find a few peaceful hours to get a shower and a hot meal, connect with resources, and engage in conversation.

##### **Request for Electronic Devices**

Many of our neighbors who live outside desperately need electronic devices: phones, tablets, laptops, and portable WiFi hotspots. This connects them to the world of housing, medical care, employment, emergency services and other resources. If you have a device in any condition that is usable or can be repaired, please contact Marilyn Palumbo. The device should be reset to factory status from the settings menu. We'll help with that if needed! Thank you.

##### **Volunteer Opportunities**

If you are interested in volunteering with this important and effective group, contact Marilyn Palumbo. You can also contact them if you're worried about someone in the neighborhood who might be houseless and needing help. St. Andrew's is the fiscal sponsor of SW Outreach. You can make money donations through our website, choosing 'SW Outreach' in the drop-down menu.

If you would like to recognize a special occasion or person (e.g., birthdays, anniversaries) or memorialize a loved one by placing flowers on the chancel, please contact Bev Ruggles to confirm a date. (Contact the office for Bev's phone number if you don't have it.)

### **NATIONAL SUICIDE & CRISIS LIFELINE**

People experiencing a mental health crisis have a way to reach out for help in the U.S., by calling or texting the numbers 9-8-8. The 988 Suicide & Crisis Lifeline is a national network of local crisis centers that provides free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week in the United States. It will function much like 9-1-1, but is solely dedicated to addressing mental health needs. See their website for more information on this potentially lifesaving program, and help spread the word.
