We respond to our generous God by practicing grateful generosity. You are encouraged to give as you are able, to honor or even exceed your pledge!

The congregation is invited (silently, by chat, or by speaking aloud - unmuting for Zoomers):

*To express thanksgiving
for some aspect of our
ministry in 2025—
perhaps something read
in the report, or
something remembered.*

*To voice prayers of
concern regarding the
ministry of St. Andrew's
in 2025.*

*To share other concerns
aloud (those shared in
chat will be lifted at this
time).*

Thoughts from Pastor Sarah
(Written February 5th)

Dear Kindred in Christ,

There are two main topics I'd like to discuss with you today: our Cuba partnership and the meeting on Sunday morning.

Cuba Partnership Update

As many of you are aware, we have been in a partnership with a congregation in Santa Clara, Cuba for 16 years. Delegations have made several trips to Santa Clara over these years and the plan was that a delegation would travel in March of this year. A number of factors, both personal and global, have made the March 2026 delegation unable to travel and the trip has been cancelled.

That said, we still want to raise funds to support our Cuban kindred and meet very real needs they have expressed to us, and have plans to send funds and goods with a delegation from Spartanburg traveling soon (a much smaller delegation than they were planning to bring. We are not alone in having concerns about travel at present.) As such, our fundraising efforts will go on. If you haven't yet signed up to Dine to Donate, please do so today or on Sunday. You can call the office to sign up, or sign up online, or in the narthex on Sunday morning.

Visits are so important for strengthening our connection and offering and receiving mutual encouragement. We hope to send a delegation either later this year or early next year. If you were wanting to go to Cuba (again, or for the first time), please let Marilyn Palumbo know and she will call a meeting with all interested parties to see if an agreeable date can be identified.

Congregational Meeting on Sunday

Sunday is the day for our semi-annual congregational meeting. Kara has been hard at work on the annual report and a link to it is available through our website; hard copies will be available on Sunday morning. The purpose of this meeting is to receive the annual report, reflect on the past year of ministry, elect a nominating committee for the year, and receive nominations for vacant slots, receive financial reports and the annual report of the foundation, vote on terms of call and, this year, the dissolution of my pastoral call. The meeting will be called to order at the beginning of the hour though the bulk of the business will happen near the end of the meeting. We'll have representatives from Presbytery present to answer any questions you might have and to moderate the conversations about call.

I hope you will be present to exercise the responsibilities of membership, and also because it is my penultimate Sunday with you. I want to see as many of you as possible before I go. On that note, I will host two more in person coffee chats – this week (Friday, February 6) at Jola Cafe on SW Corbett, and next week (Friday, February 13) at Morse Coffee Company in Lake Oswego. Even if you've never come to a coffee chat or haven't come in a long time, I hope you'll consider coming to one of these.

I am praying peace and blessings upon all of you and our world,

Pastor Sarah
