

**St. Andrew's Presbyterian Church  
Portland, Oregon  
Transitional Pastor  
Job Description**

**Our Church:** St. Andrew's Presbyterian Church was founded in southwest Portland in 1953. (A brief history can be found at <https://www.standrewspdx.com/about>.) There are currently 115 members. We pride ourselves on being a welcoming church where we engage both our minds and our hearts. Although the congregation is aging and slowly shrinking, the church is financially stable and has cohesive Session leadership. Its mission statement is "Connecting with Christ and Each Other to Serve Our Neighbors." Many members support and are actively involved with our local ecumenical and interfaith partners and social service agencies. We share our ministry with a Korean congregation, and have long been home to a childcare/preschool program.

We have completed a series of workshops with AE Sloan Leadership consultants to prepare for adaptive change. Our pastor of nine years recently accepted a presbytery-wide position in another state, leaving us looking forward to the next steps in our congregation's journey.
